OBJECTIVE

Computer Science undergraduate with a growing interest in Artificial Intelligence and Data Analysis. I enjoy solving problems through programming and building practical software while continuously exploring how AI can improve development and decision-making. Currently strengthening my skills in C++, object-oriented programming, and data analysis, and seeking opportunities to apply my knowledge, learn from experienced professionals, and contribute to impactful projects.

EXPERIENCE

[From: July 2026] –[To-Present]

[Job Title: Internship] - [Job Position: Intern]-

[Company Name: FlyRank AI]

ACHIVEMENTS

- Successfully completed academic object-oriented programming projects.
